

## Which light dimmers can I use with Neets control systems

Regarding products:

Control systems: 302-0001, 307-0001, 307-0002, 310-0001, 310-0002,

## Which light dimmers can I use with Neets control systems

We have experience with Lutron and Rako RS-232 controllable dimmers

Rako: <http://www.rakocontrols.com/>

Lutron: <http://www.lutron.com/>

Best regards

Neets
